Arugula Salad With Maple Roasted Butternut Squash

1 (1.5 to 2 lb) butternut squash
2 Tbsp light olive oil
2 Tbsp real maple syrup
1 tsp kosher salt
1/2 tsp ground black pepper
3 Tbsp dried cranberries
3/4 cup apple juice
2 Tbsp apple cider vinegar
2 Tbsp shallots, minced
2 tsp Dijon mustard
1/2 cup light olive oil
1 tsp kosher salt
1/2 tsp ground black pepper
4 ounces baby arugula, washed and dried
1/2 cup walnuts pieces, toasted
3/4 cup freshly grated Parmesan

Preheat the oven to 400 degrees F.

Cut squash in half, scoop out the seeds and pulp, remove rind, and cut into 1 inch pieces. Place the squash on a baking sheet and sprinkle with olive oil, maple syrup, salt and teaspoon pepper and mix to coat well.

Put in preheated oven and roast for 10 minutes, turn, and roast an additional 10 to 15 minutes or until tender and browning.

Just before roast cooks completely, sprinkle cranberries on top and put back in oven for final minutes - about 2 or 3 minutes is enough.

Meanwhile, in a small saucepan, whisk together the apple juice, apple cider, and shallots and bring to a boil over medium heat; cook until this liquid is reduced to about 1/4 cup, for about 5 to 10 minutes.

Remove from heat and whisk in the Dijon mustard, 1/2 cup olive oil, 1 teaspoon salt, and 1/2 teaspoon pepper to make the vinaigrette dressing.

To assemble, put the arugula in a large salad bowl and add the roasted squash mixture, walnuts, and Parmesan.

Drizzle a little vinaigrette over the salad and toss to combine. Add more vinaigrette if desired, taste, and add more kosher salt and pepper if needed.

Serve immediately. Will serve about 4 to 6 people.

Asian Snow Pea Garden Salad

1 lb fresh garden snow peas, washed and strings trimmed off
1/2 cup carrots, cut into very thin strips
1/2 cup red bell peppers, cut into very thin strips
1/2 cup sliced water chestnuts, drained
2 tsp sesame oil
1 Tbsp minced fresh ginger root
1/2 cup sliced mushrooms, your choice
2 garlic cloves, minced
1/8 tsp red pepper flakes
1 Tbsp soy sauce
1 Tbsp brown sugar
1 Tbsp oyster sauce (optional, may substitute with 1 Tbsp more soy sauce)
salt to taste
Sesame seeds for garnish

Fill a large bowl with ice and water and set in sink.

Fill a large pot with water and bring to a rapid boil.

Prepare snap peas by dropping them in rapidly boiling water for just 20 seconds; immediately drain and dump into the ice bath, then drain in colander completely.

Put prepared peas into a large salad bowl with the carrots, red bell peppers, and water chestnuts, cover, and keep cool.

To prepare dressing, put sesame oil in a skillet over medium heat, add ginger and mushrooms and saute until fragrant, about 2 to 3 minutes.

Stir in the garlic and red pepper flakes and cook an additional 1 minute.

Stir in soy sauce, brown sugar, oyster sauce (if using), taste, and add salt if desired. Allow mixture to simmer for 2 to 3 minutes, stirring, until well blended. Remove from heat and allow to cool.

Prepare salad by adding dressing to fresh vegetables in salad bowl, tossing to combine.

Serve on individual chilled salad plates with a sprinkle of toasted sesame seeds on each salad.

Crispy Zucchini Blossom Croutons

10 to 12 small zucchini blossoms
1 cup flour
salt and pepper
2 eggs
1 Tbsp milk
2 cups Panko
salt and pepper

Pick small zucchini blossoms that are growing on a long stem, not at the end of a tiny zucchini. Immediately rinse under water, gently and quickly, then lay out on a towel and pat dry.

Cut the stem off to within a half inch of blossom. Take a sharp paring knife and trim off the pointy leaves from just above the stem, the ones that surround the blossoms at the bottom. With your sharp knife, make a slice from the bottom of the blossom up through the petals until you can lay the blossom out 'butterfly' style.

Remove the stamen or pistil and gently wash off any pollen that may still be in the inside of the blossom. Close the blossoms back up and lay them on a clean platter or tray.

Mix the flour and salt and pepper together in a bowl; then dust over the blossoms, turn them over, and dust the other side.

In a shallow dish, whisk together the egg and milk.

In another shallow dish, sprinkle the Panko and season with salt and pepper.

Now, take each flour dusted blossom and first dip in egg-milk mixture, let excess drain off, then roll in Panko mixture, and set back on tray.

When all are dipped and ready, prepare a skillet for frying. Fill with frying oil, such as peanut oil, to about 1/2 to 3/4 inch deep, just high enough so blossoms are covered by half. Turn heat to high and when oil is very hot, take blossoms and start putting them slowly into oil, one at a time, without crowding the pan. Flip blossoms when they are golden brown and continue frying until browned on both sides.

Remove immediately to a paper towel covered cooling rack.

Sprinkle blossoms with more salt before they cool.

Serve these 'croutons' on top of a prepared green salad using a variety of mixed greens.

Fresh Herb Infused Cucumber Topped Asparagus Salad

3 lbs freshly picked asparagus, trimmed
1 bunch green onions
3 cups fresh small cucumbers, scrubbed clean
1 Tbsp fresh parsley
1 Tbsp fresh chervil
1 Tbsp fresh chives
1 Tbsp fresh mint
2 tsp fresh tarragon
3 Tbsp fresh lemon juice
1 Tbsp red wine vinegar
1 tsp Dijon mustard
1 tsp kosher salt
1/2 tsp freshly ground black pepper
3/4 cup light olive oil

Fill a large pot with water and salt and bring to a rapid boil.
Meanwhile, prepare an ice bath in a large bowl with ice and water and set in sink.
When water boils, quickly cook asparagus until just crisp-tender, only about 1 to 2 minutes.
Remove and quickly put in ice bath to cool and stop cooking.
Drain well and set aside.
Chop green onions and put in large bowl.
Scrub cucumbers, trim ends, cut lengthwise, then slice thin and add to bowl with onions.
Add all the fresh herbs to the bowl and mix together well; keep cool.
Make dressing by whisking together the lemon juice, red wine vinegar, mustard, salt, and black pepper, then slowly start streaming in oil, whisking steadily, until dressing is creamy.
Pour dressing into onion cucumber bowl and toss to combine.
Arrange the asparagus on salad plates and spoon the dressed onion cucumber mixture over the top.
Taste and salt if desired.

Garden Fresh Grilled Eggplant Salad

4 small or 3 medium eggplants
Kosher salt
extra virgin olive oil
2 large roasted red bell peppers
2 medium tomatoes, seeded and diced
1/2 cup thinly sliced whole scallions
1/2 cup thinly sliced radishes
1/4 cup finely chopped fresh parsley
1/4 finely chopped fresh cilantro
3 Tbsp chopped fresh mint
2 garlic cloves, finely minced
4 Tbsp balsamic vinegar
1/2 cup light olive oil
Sea salt and freshly ground pepper to taste
4 ounces goat cheese, crumbled

Prepare eggplant by washing and cutting into 1/2 inch thick slices, then sprinkle with kosher salt, place on a large rack over a tray and allow to drain for 25 to 30 minutes.

Set grill to medium-hot.

Brush or drizzle and rub olive oil on eggplant slices, then set on hot grill and cook for 5 to 7 minutes, turn slices and grill another 5 to 7 minutes or until tender. Remove and put on cutting board and dice.

Get out a large salad bowl and put eggplant pieces in and add all the vegetables and toss to combine.

Drizzle in the balsamic vinegar and olive oil and toss; then season with sea salt and pepper, toss again, taste, and adjust seasoning.

Top with the crumbled goat cheese and serve immediately.

Garden Herb Tomato Salad With Cheesy Zucchini Blossoms

4 oz soft goat cheese, room temperature
2 Tbsp fresh basil
2 Tbsp fresh marjoram
8 medium size zucchini blossoms, freshly picked
3 Tbsp extra virgin olive oil
kosher salt to taste
5 cups garden grown cherry or grape tomatoes, cut in half
1 Tbsp fresh chives

Preheat oven to 350 degrees and oil a large baking sheet.

Gently rinse off zucchini blossoms, then trim any sharp points from the bottom leaves that hold the petals in place and trim the stem to 1/2 inch. Now, slide a sharp knife lengthwise to lay the blossom open 'butterfly' style and remove the stamen or pistil (depending on if you chose male or female blossoms.) Pat dry.

In a large bowl, mix together the goat cheese with 1 tablespoon of the basil and 1 tablespoon of the marjoram; form into 8 equal size balls.

Lay 1 ball inside each of the open blossoms, then close blossom over the cheese ball and lay, cut side down, on prepared baking sheet.

Drizzle or brush each blossom with 1 1/2 tablespoon of olive oil and flavor with kosher salt, then bake for about 6 to 9 minutes - when you see the cheese bubble up over the blossom and start to ooze out and brown around the edges, they're done. Remove and set aside while you prepare the tomatoes.

In a large bowl, toss the tomatoes with the remaining 1 1/2 tablespoon olive oil, the remaining basil, the remaining marjoram, and the chives. Sprinkle with kosher salt and freshly ground pepper to taste, then arrange on plates.

Top with the baked zucchini blossoms, add more kosher salt if desired, and serve while blossoms are still warm.

Garden Slaw With Tender Broccoli Flowers

1/4 cup sliced raw almonds, toasted
1 bunch mature broccoli stems (may substitute cabbage slaw)
2 carrots, peeled
3 Tbsp light olive oil
3 Tbsp rice vinegar
3 Tbsp honey
3 Tbsp Greek yogurt
1 1/2 tsp Dijon mustard
1/4 tsp kosher salt
1/4 tsp fresh black pepper
fresh broccoli flowers for garnish (fresh, cleaned, and stamen or pistil removed)

Start by toasting the almonds; put them in a small skillet, without oil, over medium heat and shake until almonds start to get golden brown. Remove and set aside.

Make slaw by peeling the tough skin off the broccoli stems, then using the peeler, make curls out of the tender insides of the broccoli stems. Put in bowl.

Use the peeler to make curly slaw out of carrots, add to bowl.

Make dressing by whisking together the remaining ingredients until smooth; then pour the dressing over the slaw.

Add the toasted almonds, tossing to combine.

Let stand for 30 minutes, tossing several times.

To serve, spoon portions onto individual salad plates. Top with fresh cleaned broccoli flowers for garnish and flavor. You will have enough salad for 4 to 6 people.

Glorious Broiled Garden Tomato Basil Salad

4 large sweet beefsteak tomatoes
olive oil
1/2 tsp kosher salt
1/4 tsp freshly ground black pepper
1/4 cup fresh basil, coarse chopped
8 fresh baby mozzarella balls, cut into small pieces
4 strips bacon, diced and crisp fried, drained

Wash and cut the tomatoes in half across the 'equator' and carefully cut out the insides, chop up and put in a bowl.

Add to the bowl with the tomato pulp, the kosher salt, black pepper, basil, and mozzarella balls pieces. Mix to combine.

Place each tomato 'bowl' cut side up on a broiler pan and brush lightly with olive oil.

With slotted spoon, fill the bowls with the tomato-basil-mozzarella mixture, making sure you don't get too much tomato juice in the tomato bowl.

Place under preheated broiler at 5" away for about 3 to 4 minutes or until tops brown, tomato softens, and cheese is melted.

Remove and let cool slightly.

Sprinkle crumbled bacon on top and serve warm.

Makes 8 individual salads.

Now make the dressing.

Whisk together the olive oil, orange juice, balsamic vinegar, soy sauce, orange zest, and salt until smooth and frothy. Pour this dressing over the salad, sprinkle in the mint and basil and toss to combine.

Pretty Petite Herbed Cucumber Salad

1 lb small cucumbers, scrubbed clean
1/2 Tbsp kosher salt
1 garlic clove, minced
1 Tbsp chives
2 Tbsp fresh mint, chopped
2 Tbsp fresh dill, chopped
1 Tbsp fresh lemon thyme, chopped
1 cup rice vinegar
2 Tbsp honey
Greek yogurt and sprig of mint for garnish

Scrub the cucumbers to remove any tiny bumps. Take a fork and run down the length of the cucumbers to score them. Cut the cucumbers in half lengthwise, then slice paper thin. To remove some of the moisture from the cucumbers, put them in a big bowl and sprinkle with the kosher salt. Let it sit for about an hour, stirring a few times to mix. Dump cucumbers into a colander or sieve and allow to drain thoroughly, patting with paper towels, then put in salad bowl.

Make the herbed dressing by whisking together the garlic, chives, mint, dill, lemon thyme, rice vinegar, and honey; adjust taste if necessary.

Roasted Baby Beets with Greens and Grapefruit Salad

6 small garden beets with greens attached
1 medium ruby red grapefruit (and reserved juice)
all reserved grapefruit juice
1/4 cup red wine vinegar
1 medium shallot, minced very fine
1/3 cup light olive oil
1/8 tsp kosher salt
1/8 tsp ground black pepper
1 tsp fresh thyme

Preheat oven to 325 degrees.

Trim greens off beets, trim any thick stalks, wash, dry, and course chop fresh greens. Put in bowl and cover with plastic, refrigerate while preparing the rest of the salad.

Scrub the beets, trim off any extra green tops or roots, then place them on a sheet of aluminum foil. Drizzle oil over beets to coat well, then fold the foil up to form a sealed packet around the beets. Place on a baking sheet and bake in the preheated oven for about 45 minutes or until fork tender. Remove and let cool until you can pull off the skins, then slice into wedges.

While the beets are roasting, peel the grapefruit, making sure you remove all the white pithy coating. With a sharp paring knife, remove each segment, making sure you do not include any of the skin. Do this over a bowl so you can capture the juice. Set the segments and juice aside.

Prepare the dressing by whisking together the reserved grapefruit juice, the red wine vinegar, and the shallots. When combined, start pouring in olive oil, whisking steadily until creamy, then continue whisking and add the salt, pepper, and thyme, whisking until just combined.

To assemble the salad, place the cold beet greens on salad plates, top with beets, then with grapefruit segments. Drizzle the vinaigrette dressing over the top of each salad, then adjust seasoning by adding salt and pepper if desired.

Serve immediately.

Spaghetti Squash Harvest Garden Salad

2 small or 1 medium spaghetti squash
3 Tbsp balsamic vinegar
1 Tbsp red wine vinegar
2 Tbsp olive oil
1 Tbsp fresh garden oregano, chopped
2 Tbsp fresh garden basil, chopped
2 Tbsp fresh parsley, chopped
2 garlic cloves, minced or grated
1/4 tsp kosher salt, to taste
1/4 tsp freshly ground black pepper, to taste
2 medium tomatoes, diced small
1 medium carrot, diced small
1 stalk celery, diced small
1 small yellow squash, diced small
1 small green bell pepper, diced small
3 green onions, chopped, including tops
6 to 8 black olives, chopped (use any ripe olive you like)
4 oz feta cheese, crumbled

Preheat the oven to 350 degrees.

Prepare the spaghetti squash by cutting lengthwise and scooping out the seeds and pulp. (The 'spaghetti' is NOT the pulp... it actually is what appears to be the solid part of the squash, which turns into noodles after it's cooked.)

Lightly oil the cut side of the squash and place cut-side-down on a large baking sheet. Pierce several times with a knife. Bake in the preheated oven for 35 to 45 minutes or until you can insert a fork into the top. Remove and let cool.

Flip spaghetti squash over and, using a fork, start pulling the meat of the squash out and into a large bowl. The meat will come out in strands, forming the spaghetti. Set aside in a cool area.

In a separate bowl, whisk together the balsamic vinegar, red wine vinegar, olive oil, oregano, basil, parsley, garlic, salt and black pepper until combined and creamy. Add more olive oil if desired.

Pour this vinaigrette dressing into the bowl with the spaghetti squash and toss to combine and loosen up the 'noodles.'

Add the remaining ingredients into the bowl with the spaghetti squash and toss until combined very well.

Cover the bowl loosely with parchment paper or a paper plate and put in refrigerator for at least 30 minutes before serving.

Toss again before serving.

Spiced Butternut Squash Salad with Lentils and Goat Cheese

3/4 cup black or green lentils
6 cups butternut squash, peeled, seeded, and cubed into bite size (about 2 lb)
3 Tbsp olive oil, divided
1 tsp ground cumin
1 tsp hot smoked paprika
1/2 tsp kosher salt
4 cups baby arugula
1 cup goat cheese, crumbles, divided
1/4 cup fresh mint, chopped
1 Tbsp red wine vinegar, plus additional to taste

Preheat oven to 400 degrees.

Put squash in large bowl with 2 tablespoons oil, cumin, paprika, and kosher salt, and toss together until coated well.

Dump onto a large baking sheet and mix around until in a single layer, then put in preheated oven and cook for 15 to 20 minutes; stir and flip pieces then cook another 10 to 15 minutes until lightly browned and tender. Remove and allow to cool at room temperature.

Meanwhile, put lentils in a small bowl and soak for 10 minutes; drain, and put in large saucepan, cover with fresh water, add a dash of salt, and bring water to a boil, turn down to a simmer, and cook lentils until tender but firm, about 30 minutes. Drain in colander, rinse with cold water, and allow to drain completely and cool.

When ready to assemble salad, put cooked squash and cooked lentils in a large salad bowl, drizzle remaining 1 tablespoon oil over and toss; then add the arugula, half of the goat cheese, mint, and vinegar, season to taste with more salt and pepper, then toss.

Serve on cold salad plates and divide remaining goat cheese among each serving.

Will make 2 to 4 salad servings.

Sweet and Sour Summer Squash Slaw

4 tiny yellow summer squash
4 tiny zucchini
2 stalks celery, chopped
3 whole green onions, chopped
1/2 red bell pepper, chopped
1/2 green bell pepper, chopped
1/2 cup sugar
1/2 cup apple cider vinegar
1/4 cup light Olive Oil
1 Tbsp fresh dill
1/2 Tbsp fresh basil
1/4 Tbsp fresh thyme
1/2 teaspoon pepper
1/4 teaspoon salt

Scrub the tiny squashes well, trim off both ends, then take a peeler and start peeling off long curls into a colander. Sprinkle with salt and let drain over the sink for about 20 minutes. This will help the squash sweat off some of the moisture. Dump onto a large surface covered with paper towels and use paper towels to blot off liquid, then dump squash curls in large salad bowl.

Add the salad bowl, add the celery, onion, and peppers.

Put the remaining ingredients in a bowl and whisk together until well combined. (You could also put the ingredients in a jar with a good lid and shake to combine.)

When dressing is well mixed, immediately drizzle a little over salad, mix, taste, and add more dressing as desired, tossing to coat after each addition.

When the slaw has the right amount of dressing, serve immediately or chill until ready to eat. You'll have enough for about 4 to 6 people.

1/3 cup fresh mint leaves
3 Tbsp extra virgin olive oil

In a separate bowl, whisk together the oil and lemon juice, then continue whisking and add the salt and pepper; taste and adjust for flavor, add more if necessary.

Drizzle this dressing over the squash in the bowl, add the toasted pine nuts and toss together.

Let mixture stand for 10 to 15 minutes to allow the flavors to blend.
